**Week 144**

**Danemill**  
Primary School  
Learning and discovering together

*Red Nose Day was celebrated in style today—everyone came to school in their pyjamas or Comic Relief clothes! Children were fund raising throughout the day and there was even a fun run—check Twitter for the photos! We will let you know the amount raised in next week's Newsletter.*

*Our Inclusive Sports Team beat all schools in Leicestershire at a tournament this week; they played a range of sports and we were really pleased with their sportsmanship. We found out today that we will go on to represent Blaby District at the finals—well done to all!*

*We will be selling bunches of daffodils after school next Wednesday—bunches will be £1.50 each and all profit will be donated to Marie Curie cancer research—look out for the flower table on the main path.*

*It is not ideal that parents have to stand in the car park to pick their children up at the end of the day. Therefore, with immediate effect from Monday 27<sup>th</sup> March the gates into the key stage two playground will open at 15:15 and parents are very welcome to wait in the playground rather than the car park; this will be much safer especially if you have small children with you.*

*As you are aware schools are increasingly having their finances reduced and as a result budgets are extremely tight. Consequently, after Easter we will be charging a minimum of £1.00 per child per session for ALL after school activities, this depends on the materials and running costs. Some clubs such as sewing and science already charge £2.00 for the use of materials etc. We will have an online system whereby you can pay up front for your child's activities. Places for clubs will be on a first come first served basis. You will reserve and pay for the clubs as part of the online system, once places are full the system will not accept any more payments. This is not a decision we have taken lightly, however, it is in line with many of our local schools and other schools within our Trust. Danemill is one of the last schools to take this action but due to financial restraints we have had to join with other schools in charging in order to continue running our clubs. We are hoping to vary our offer of clubs in the summer term. I am sure that you will agree that at just £1.00 per session this is still remarkably good value.*

*Mrs D White—Executive Headteacher and Miss T Lawrence—Assistant Headteacher.*
