**7th April 2017**

**Week 146**

We are having a busy build up to the Easter holiday—the children are getting ready for a break and their Easter eggs! We have had a Health and Safety Audit and, in order to ensure that we know exactly who is within the school building we are no longer able to allow the children (who carry out monitors jobs), into school before 8.45 a.m. Thank you to all the children who have been coming in early to do these extra jobs.

We would also like to remind you that the school provides balls for the children to use at playtimes so there is no need for them to bring their own balls to school.

On Monday we had a fantastic assembly looking at how we can give our time and how this can help other people. This ended with us giving a special thank you to all the volunteers for all their support and for making life at Danemill fun. We said a fond farewell to Mrs McAllister who leaves us to begin training as a Vicar. Her valuable input at Danemill will be sorely missed and we wish her well in the future.

We also said goodbye to Igor who has been our Basketball Coach for many years. Igor has a great sense of humour and has taught the children much more than just basketball—they have learned how to be a part of a team and to celebrate whether they win or not. We will all miss Igor very much and wish him all the best.

Finally we have super news in Year 1; Ted Stokes has beaten 131,798 entries to get through to the next round of the BBC Radio 2 '500 Words Competition'. Well done Ted—you have done amazingly well.

Happy Easter—see you all back at school on Monday 24th April!

*Mrs D White—Executive Headteacher and Miss T Lawrence—Assistant Headteacher.*
